

Greetings!

Would you like to be a part of Egg Harbor Township's History?

Join us by **purchasing a Personalized Commemorative Brick**, to be permanently installed on the grounds of the Greater Egg Harbor Township Historical Society and Museum. You may purchase bricks to **recognize yourself, family and/or friends**. You may also choose to **honor someone** who has contributed to EHT, or **in memory of a loved one**. **It also makes a great gift for everyone.**

Your support will show your belief in the importance of keeping the history of our community, its founding families and the people who continue to enjoy the many wonderful opportunities of Egg Harbor Township available for future generations.

The **Greater Egg Harbor Township Historical Society and Museum** plays an important role in the Egg Harbor Township community by preserving our local history and providing an excellent resource for people to trace their family history and genealogy. We have archived over 1000 items since 1980. Our volunteers have helped people from all over the country to locate important family information.

Besides providing important funds to keep the museum open and available to the public, you will be supporting some very interesting and educational events.

Thank you for your support!
